#COMPOSITION1

Infinite soluzioni con elementi semplici nelle linee ma connotati da una forte personalità. Lavabo **WYNN** da 50 cm su piano sospeso e mobile con cassetto (apertura Push-Pull) color bianco matt su struttura metallica verniciata in nero a polvere epossidica.

Endless solutions with simple elements in the lines but characterized by a strong personality. **WYNN** washbasin 50 cm on suspended top and cabinet with drawer (Push-Pull Opening) matt white on metallic structure painted in black epoxy powder.

#COMPOSITION2

Ceramica, legno e metallo si uniscono per suscitare emozione. Un design minimale per questa composizione: lavabo **WYNN** da 50 cm su piano in legno con finitura Quercia Grigia e struttura metallica a giorno in nero matt. Specchio e pensili (a giorno e con anta) completano il tutto.

Ceramics, wood and metal come together to inspire emotion. A minimalist design for this composition: **WYNN** washbasin 50 cm on wooden top with grey oak tree finish and open metal structure in matt black. Mirror and wall units (open and with door) complete the whole.

#COMPOSITION3

Portasciugamani e specchio in metallo contrastano cromaticamente con il legno Quercia Grigia del top e del mobile sospeso e con il bianco matt del lavabo **WYNN** da 50 cm.

Towel holder and metal mirror contrast chromatically with the gray oak tree wood of the top and suspended furniture with the matt white of the 50 cm **WYNN** washbasin.

#COMPOSITION4

Lavabo **WYNN** da 50 cm su top e mobile sospeso in Rovere Primitivo e con cassetto (apertura Push-Pull) bianco matt. Il mobile ha un cestello estraibile per arredare lo spazio bagno senza perdere la funzionalità ed efficienza della zona lavanderia.

WYNN washbasin 50 cm on top with wall hung cabinet in Primitive Oak and with drawer (Push-Pull opening) matt white. The cabinet has a removable basket to furnish the bathroom space without losing the functionality and efficiency of the laundry area.

#COMPOSITION5

Stupisce per la sua semplicità la colonna sospesa nella scelta di far risaltare la finitura nodata del Rovere Primitivo. Contiene e nasconde gli oggetti quotidiani con discrezione e capienza. Crea una continuità visiva il mobile sospeso su cui contrasta il lavabo **WYNN** da 50 cm.

The suspended column is surprising for its simplicity in the choice to highlight the knotted finish of Primitive Oak. Contains and hides everyday objects with discretion and capacity. Creates visual continuity in the suspended cabinet, which contrasts with the 50 cm **WYNN** washbasin.

INFINITE LIBERTÀ PROGETTUALI E GIOCO DEI CONTRASTI, SIA NEI MATERIALI CHE NEI COLORI, CARATTERIZZANO LA COLLEZIONE WYNN. UNA COMPONIBILITÀ MODULARE CHE CREA "INCASTRI" E COLLEGAMENTI ESTETICI E VISIVI.

Infinite design freedom and game of contrasts in both materials and colours. This is what characterizes the WYNN collection, a modular design that creates "joints" and aesthetic and visual connections.

#COMPOSITION6

I volumi sospesi delle basi con cassetto con la pratica apertura Push-Pull con il lavabo WYNN da 50 cm sono studiati per diventare un unico elemento d'arredo e per essere collocati anche in piccoli spazi. Il profilo del lavabo e il frontale color nero matt sono abbinati tra loro.

The suspended volumes of the base units with drawer and practical Push-Pull opening with the 50 cm WYNN washbasin are designed to become a single piece of furniture and to be placed even in small spaces. The washbasin profile and matt black front are combined.

#COMPOSITION7

Tutte le soluzioni e gli accostamenti garantiscono un mix mai casuale. Lavabo WYNN da 70 cm, come quello da 50 cm, può essere installato sospeso con il suo portasciugamani e con la mensola capiente e metallica verniciata in nero a polvere epossidica (solo in finitura nera matt).

All solutions and combinations guarantee a never accidental mix. WYNN washbasin 70 cm, like the 50 cm washbasin, can be installed suspended with its towel rack and the large, metal shelf painted in black with epoxy powder (only in matt black finish).
